

**CASTLE IN THE SNOW |
THE AVENER**

8 Mesures d'intro.

The light is fading now
My soul is running on a path that I can
not reach
My brain is turning and my head is
hurting
Everyday a little bit more

The light is fading now
My force is being sucked by a bloody
leech
My fear is smiling and my dread is
singing
Everynight a little bit more
*I can not see
anything I am
blindfolded*

I can hear the birds
I can see them fly
I can see the sky

I can hear the birds
I can see them fly
I can see the sky
It's a battle cry

I'm a zombie
I don't know what to do
I should be hidden in a place
But I gotta stay stay stay, stay stay stay
STAY

I can hear the birds
I can see them fly
I can see the sky

I can hear the birds
I can see them fly
*I can see the sky
It's a battle cry*

I can hear the birds
~~(I can see them fly)~~ *pas chanté*
I can see the sky
I can hear the birds
~~(I can see them fly)~~ *pas chanté*
I can see the sky
It's a battle cry

I'm so lonely
I don't know if I'll get through I
wanna be floating in space
But I gotta stay stay stay, stay stay stay
STAY

I can hear the birds
I can see them fly
I can see the sky

I can hear the birds
I can see them fly
I can see the sky
It's a battle cry

I can hear the birds
